EXECUTIVE SUMMARY

Marketing and growth leader with 10+ years across Vietnam and Germany, combining corporate CRO, behavioral economics and hands-on commercial leadership. Known for finding exactly where customers drop out, from ad to signed contract, and fixing it. Built a 20+ person marketing and sales organization, ran CRO for audibene's Asian markets, and now designs AI-powered systems that turn leads into sales meetings.

KEY ACHIEVEMENTS

- **Doubled monthly signed contract value** at Clevermann while cutting cost of sale from ~30% to below 10% of revenue.
- **200+ A/B tests across 11 markets at audibene,** with 20%+ cumulative conversion uplift in every market worked on.
- **Tripled leads while lowering cost per lead by ~75%** for a luxury real-estate developer, through psychology-based lead forms.
- **Built and led a 20+ person marketing and sales organization** (~40 with freelancers) from a team of ~3.

CORE COMPETENCIES

Growth Strategy · Conversion Rate Optimization · Experimentation · Behavioral Economics · Performance Marketing · Lead Generation & Nurturing · CRM & Sales Enablement · Strategic Partnerships · Team Leadership · AI Automation

AI-POWERED GROWTH

Designs, builds and runs AI systems in daily business operations.

- **AI lead scoring and distribution** (data processing, scoring, API integrations): 10+ in-person site visits a week from outbound leads; contact rate up 3x.
- **Multi-agent AI team** (Claude, GPT, Gemini, open-source models) with an orchestrator and shared knowledge base, for ~USD 85/month.
- **One-click content pipeline** (research, multi-model scripting, AI voice, video): cost per explainer video from ~VND 650k to a few thousand dong.
- **Applied AI training** for in-house teams, university students and professionals.

PROFESSIONAL EXPERIENCE

Independent Marketing & Growth Advisor — 05/2026 – Present
Self-employed — Ho Chi Minh City, Vietnam

Contract advisory in growth, performance marketing and sales conversion. Largest engagement: a luxury real-estate developer in HCMC, leading marketing as contract Marketing Director with a ~10-person sales team.

- **Tripled monthly leads (~100 to 300+) and cut cost per lead by ~75%** while reducing ad spend by ~30%, by moving Meta campaigns to redesigned, psychology-based lead forms and many small tests.
- **Designed and built an AI-powered lead-distribution system** (data processing, lead scoring, API integrations) that delivers 10+ in-person sales-gallery visits every week from outbound leads, a first for the company.
- **Raised the lead contact rate to 60%+, roughly 3x the previous level,** by replacing manual, sequential hand-offs with automated routing and alerts.
- **Led the paid funnel hands-on:** content production, Meta Ads optimization, retargeting and 50+ structured ad tests.

Chief Executive Officer (Commercial Lead: Marketing & Sales)

02/2023 – 04/2026

Clevermann International

Ho Chi Minh City, Vietnam

Vietnam–Germany education and career programs. Led marketing, B2C sales and B2B partnerships; grew the team from ~3 to 20+ employees (~40 with freelancers) across two offices; managed VND 200M+ in monthly ad spend.

- **Roughly doubled monthly signed contract value,** from ~VND 2B during the 2023–2024 build-up to a ~VND 4B average in 2025 (peak ~VND 6B).
- **Reduced cost of sale from ~30% to below 10% of revenue** by measuring and fixing drop-off at every step from ad to signed contract, across 85+ marketing and sales experiments.
- **Increased signed contracts from ~10 to 20+ per month (peak ~40)** by fixing late-funnel trust: partnership content, community-based nurturing, customer-story video and time-bound offers.
- **Negotiated the German-Malaysian Institute's first partnership with a private company in Vietnam,** securing priority telc exam scheduling when local exam slots had become a business bottleneck.
